

Hello everyone,

This week has seen the launch of our Online Platform campaign, and many of you will have received the sign up email invitation to join the platform. By responding to the links within in the invitation and completing the sign up form, a new email and sign in link will be created.

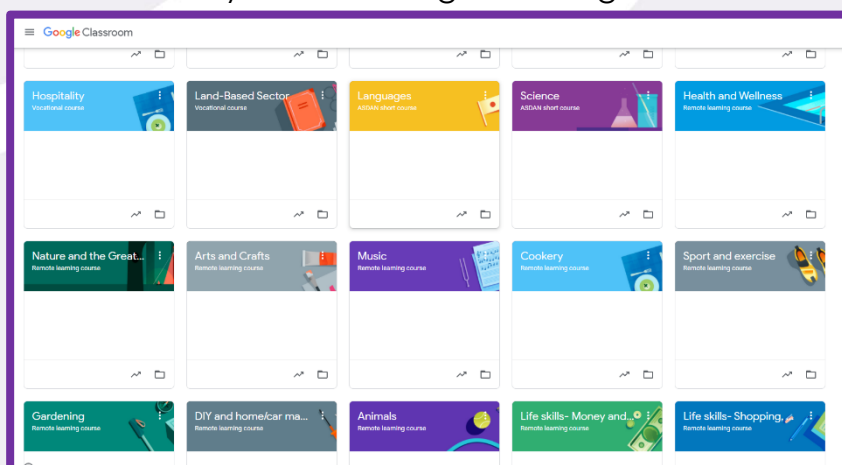

Our social media pages, including Instagram, Facebook and Twitter, and our website contain links and information about the Online Platform, so please give these a 'like' and a share to spread the word. Thank you.

We have also created some flyers which we will be distributing to local health organisations, shops, medical practices, libraries and community groups to reach out to the wider community around Harrogate and District. If you would like a copy of the flyer to share with your organisation or work place, or if you know of a group who would like a copy- please get in touch and I can email a version to you.

Again, if you know anyone who might benefit from the free Online Platform- please direct them to get in touch via training@day-edu.co.uk or by calling 01423 449314.

The platform includes many applications- all powered by Google G suite for Non Profits, including the app Google Classroom. After signing up; each learner/client is able to view the various activities, videos, links, tutorials and information within the classes they enroll on.

The Google Classroom Application can be viewed and accessed via a laptop, desktop computer and also on a smart phone or tablet, by downloading the Google Classroom app from the Apple App store or Google Play store for Android devices. Here are some of the classes available: →

Other applications which can be accessed include: Calendar, Google Drive (to store files and work), Google Meet (a video call and word chat application- which allows you to speak to a tutor via video or through the web chat), Gmail (email) and other various programs such as Docs (document writing), Slides (presentations) and Drawings.

After signing onto the platform, tutorials and step by step guides will be provided to support new users on their learning journey.

Did you know that our newsletter is now available to view on our website? So please spread

Creating Opportunities

the work and help others be in the know about new technology, the online platform and of course this week's happy news! Thank you!

I wish you all a very warm and cosy festive weekend and as always, I hope you enjoy this week's happy news.

Kind regards,

Harriet Walker,
E-Learning Coordinator

Free E-learning

Are you wanting to learn and develop new skills?

Powered by G Suite for
Non-Profits.

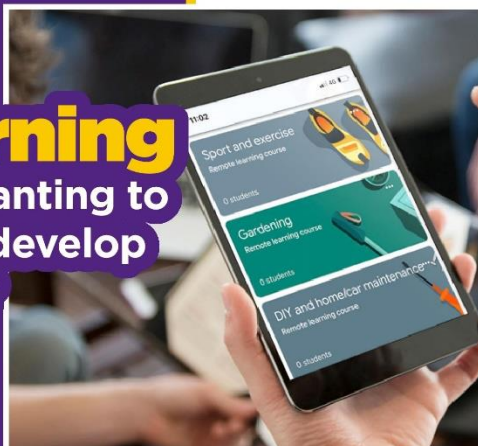

With thanks to The National
Lottery Community Fund and
the Government for their
support.

We recognise the difficulty some disabled people may have accessing learning and support. We can help by providing you with your very own individual learning package online for free.

Our aim is to

- ✓ **Combat feelings of isolation**
- ✓ **Provide each person with a personalised online learning package tailored towards individual needs**

disabilityactionyorkshire.org.uk

We will...

- ✓ **Provide support and resources to enable you to achieve qualifications or skills**
- ✓ **Provide support and guidance for up to 6 weeks and no less than 12 hours**

You could have access to:

Functional skills, maths, english, accredited employability courses, personal social development, life skills and a number of short courses in vocational areas such as, gardening, hair and beauty, hospitality.

This service is open to disabled people who :

- ✓ **Are 16 years and over**
- ✓ **Live in the Harrogate and district area**
- ✓ **Are looking to gain help / support with developing their skills**
- ✓ **Have access to an internet enabled device.**

To discuss enrolment contact Harriet Walker...
